Craig,

See TCEQ's comments below.

Here are some of my thoughts on the document. I believe we had the Parish Presidents on the Katrina Transitions at the request of LDEQ, so I also do not believe it is necessary for the County Judge to be a signature on the document. EPA is assisting TCEQ at the State's request, so our interaction should be with the state. Since it is going to the TCEQ Regional Director, I wonder if the document should encompass the region vs each county? Also, should one document also cover all of activities vs a document for each activity?

Thanks,
Ronnie

Ronnie,
For the Hurricane Harvey – Texas Unified Command Mission Assignment Transition (starting with Alpha Branch), while I prefer that please transition documents be addressed to me, I am fine with them being addressed to the TCEQ Regional Director for each Branch. Also, please remove the County Judge signature block from these documents, as the TCEQ will not be asking the County Judge to sign these documents. Thanks.
